

Please note: Please do not follow Sat. Nav. directions beyond the motorway exits as there are several different entrances to the estate, not all of which will take you to the main house.

### From the M1

After exiting the M1 (J23A northbound, J24 southbound), follow signs for Nottingham East Midlands Airport. Take the second left after the airport, marked 'Diseworth'. After approximately 1 mile, take the first right, marked 'Belton'. Continue for approximately 3/4 mile, until the trees meet overhead. Immediately underneath, on the right, is the drive leading to Langley Priory.

### From the A42

Exit J14 of the A42, then turn right towards Belton. Turn left at the roundabout (towards Belton/Diseworth), then left at the T-junction (marked Diseworth). Continue under a bridge and past a white house on your right. Approximately 1/4 mile beyond the white house the trees will meet overhead, and the drive to Langley Priory is immediately underneath, on the left.
